Re: 2000 Model Indian Scout

1 pg.

Dear Sir,

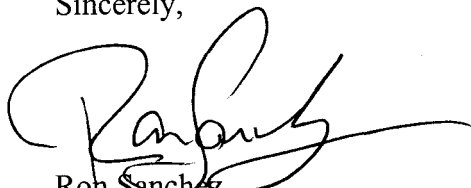

For the year 2000, we will be introducing a new model. This model has a new style frame identified as a standard smoothtail with a single downtube. The letter "M" in the fourth position of our VIN system will represent the frame.

The new model, referred to as a Scout, will be represented by the letter "T" in the fifth position of our VIN system.

Sample VIN for the Scout: 5CD M T B51 _ YG 123456

Please contact me at 408-847-2221 ext. 1126 with any questions regarding this issue.
